

~~ADMINISTRATIVE - INTERNAL USE ONLY~~

12 FEB 1975

MEMORANDUM FOR: Chief, Plans and Programs Staff, OL

ATTENTION :

[REDACTED]

SUBJECT : Communications Requirements for FY 1977-81

REFERENCE : Multiple Addressee Memo fm D/L dated 5 Feb 75,  
same subject

1. In response to your request in the referent memorandum,  
the following is Procurement Division's input.

a. We now have black telephone lines and one green  
telephone which we would like to be continued at approxi-  
mately the same level in the future, with the exceptions  
listed in b and c.

b. We have stated requirements for two more green  
phones to be placed in General Procurement Branch and

[REDACTED] We have received the phone  
for General Procurement Branch, however, it has not yet  
been set up. *WILL BE INSTALLED IN FEB 75*  
*OL/PA ADVISED*

c. We have a black phone in our Mail & Files Control  
Unit that can be eliminated probably within FY 1975 or  
FY 1976.

*Room 1033* [REDACTED] STAT

2. If you have any further questions regarding PD/OL's  
communications requirements, please feel free to contact the  
undersigned.
